

Dear colleagues!

The articles presented at the VIII International Research Conference “**Topical issues of linguistics and teaching methods in business and professional communication**” are accepted in English to be reviewed *in a foreign scientific database*.

We welcome all interested specialists for publication!

Submitted articles should not be published earlier, presented at conferences held earlier, and also should not be considered in the editorial offices of other journals. For experts in methodology and pedagogy, it is required to describe the results of the experiment taking into account quantitative analysis, for linguists - the use of the method of quantitative analysis.

**Formatting requirements:**

**1. The text of the article:**

Font 10 Times New Roman, single interval, word wrap is on. The volume of materials accepted is *20 typewritten pages* (including headline, abstract, references).

**2. Title of the article** - font 10 Times New Roman (up to 12 words), boldface, left alignment.

**3. Surname and name of the author** / authors, organization, country, email address of the author / authors are located under the heading – font 10 Times New Roman.

**4. Abstract** (150 - 200 words) is located in two intervals under the data of the author / authors, should briefly describe the following parameters presented in the article: goal, method, results, conclusion. Font 10 Times New Roman, single interval.

**5. Keywords** (up to 5 words) are located in one interval under the abstract. Font 10 Times New Roman, single interval. The main text of the article is separated from the keywords in one interval.

**6.** The main text of the article should be divided into **headings and sub-headings**, which are numbered. Font 10 Times New Roman. Headings and subheadings are aligned to the width.

For example:

1. Introduction
2. Literary overview
3. Materials and methods
4. Results and discussion
5. Conclusion
6. Acknowledgments
7. Literature

7. All **tables and figures** are included in the text and must have consecutive numbering. Under the tables and figures, specify the source from which the figure or table is taken (Source: author, book, magazine, etc.). For drawings, the GIF format is used. The maximum number of drawings is 5 pcs. Times New Roman 10, single spacing.

For example, *Fig. 2. Number of students 2005-2015*

*Table 1. English language proficiency of students*

8. **References** are presented in alphabetical order. It is necessary to refer to Russian or foreign sources, including periodicals over the past 5 years (preferably indexed by Scopus, Web of Science). Each source listed in the references must have a citation in the text. References to authors in the text of the article are given in brackets: one author (Ivanov, 2015), two authors (Ivanov & Petrov, 2013), three or more authors (Ivanov et al., 2014).

9. **References** are formatted in accordance with the rules established by the American Psychological Association (APA). You can use the automatic link design system <http://www.bibme.org/> (APA format).

10. Attention! The number of references should not be less than 15 titles. Self-reference should not exceed 10%. References to sources in a foreign language should be at least 50%.

For early publication, please send articles **by May 10, 2018** to [flangs@mail.ru](mailto:flangs@mail.ru) (subject: *Publication in a foreign journal*).
